

Swimmer _____

**Manistee Swim Team
4th Annual Swim-a-Thon
Friday, July 10, 2009 4:15 pm till 5:45pm**

Members of the Manistee Swim Team work very hard at every practice, swimming at least 1 mile three times a week. The pool at West Shore Community College is a 25 meter pool and it takes 32 laps/ 64 lengths to swim a mile. To make things a little more exciting, we have set aside one of our practice days as a swim-a-thon. Each member is being asked to get pledges for either \$/Lap or a flat amount. A \$100 value prize will be awarded to the top three fundraisers at the team picnic (our Treasurer George Ott will keep this information TOP SECRET. Parents are encouraged to attend to help count laps, set up prizes and count any money that's turned in. We will end the day with a group relay race and spectators are encouraged to attend. If you have any questions, please contact President Sherri Wehrmeister 723-7531(home) or 723-1450 (work) and the next time you're on the web, check out our web page: www.manisteeswimteam.com
